Bolton and District Probus Club

First of all, a huge "Thank You"

So many people were involved in making our 30th Anniversary a success. Your hard work was the secret ingredient that made everything fun and enjoyable.

Starting in October with a small group of four, the number of volunteers grew and grew.

Larry O'Donnell got the ball rolling by contacting people and getting the cake generously donated by Fortinos. **Fionna Ferguson** researched and researched…

Special thanks must go to **Debbie Courneya** who not only managed the food and coffee but tied up all the little gift bags, ably assisted by **Andrée-Ann Rousseau.** You deserve a medal, a holiday, and possibly a lifetime supply of biscuits for what you did especially as the timing coincided with knee surgery. Her team included **Laura Fleming** and **Randy Courneya** amongst others. Some people talk about helping. You did it.

Nathan Hiller spent weeks crafting the super keychains and coasters with the 30th Anniversary logon which he designed. He spent many hours at the Maker Space in Caledon East Library with materials they provided. Thank You!

Ron Morrison persuaded Home Depot to donate the beautiful Flower Bowls and **Larry** and **Andrée-Ann** helped transport them while **Andrée-Ann** cared for them for 10 days.

Larry got cookies from Giant Tiger and **Gloria Antonini** arranged and picked up all the sweet treats from Mars Canada.

On the day many hands picked up food (**John Palmer**) and cake (**Stan and Adelle East**), came early to set up and man the doors. (**Ian and Linda Kittle**, **Ruth and Richard Hunt**) and hand out the gift bags and greet our guests. Linda T., Marg T. Carolyn and Edna.

Next year's President **Ian Kittle** was a super MC, and **Betty De Groot** led the First Nations tribute, Memories were shared by **Tony Smith** and **Sandy Forester.**

Games were played and everyone went away having made a new friend. To all who helped thank you for your time, effort, and support. If events ran themselves, we'd let them. Until then — thank you for being amazing. *Graham*

June is Seniors Month in Ontario—This year's theme, Ontario Seniors – Let's Get Moving, highlights the importance of supporting older adults through programs and initiatives that promote wellness, social engagement and education. In other word… PROBUS.

Fellowship, Friendship, and Fun

June 11th Speaker: Dr. Daniel Napierski

Vision Care for Seniors

Dr. Daniel Napierski was born and raised in Mississauga, Ontario. He completed his Honours Bachelor of Science degree at McMaster University in 2018. Following the completion of his undergraduate studies, he obtained his Doctor of Optometry degree with distinction at the University of Waterloo School of Optometry and Vision Science in 2022. Dr. Napierski returned to the University of Waterloo and completed a residency in Ocular Disease and Glaucoma a year later. During that time, he managed complex cases of glaucoma, dry eye disease and other ocular conditions, as well as supervised third- and fourth-year students during their clinical rotations. Dr. Napierski is set to become a Fellow of the American Academy of Optometry in November 2024. He is also capable of performing full eye exams in Polish. When not practicing Optometry, he enjoys hiking, bouldering, playing volleyball and trying new recipes.

Security question: Summer Event. Answer: BBQ

The meal will be inside but if you later wish to enjoy sitting in the beautiful grounds, please bring your own chair. There is lots to see and do there: tours of the grounds, and trails and the museum. Those of us who visited in November were also able to purchase their maple syrup and other goodies
